Jack Carpenter explained that Glen Cove had unrealistically low dues for years, which did not allow the association to build up an adequate savings for major projects like roof replacement. For the past several years, the Board has been increasing dues 5% annually to bolster the Reserve account and minimize potential special assessments for capital items. The 2% additional increase is going to fund rising operating costs.

MOTION: The Motion was duly made and seconded to ratify the 2019 proposed budget. Motion passed by unanimous consent.

The new monthly assessment amounts will be distributed to all Owners prior to year-end.

CB asked about the Edward Jones CD rates and amounts. Katie will send him the information.

The Major Maintenance Chart will be updated by management to reflect current account balances and proposed 2019 Reserve Fund expenses. There are currently no projects scheduled for 2019 on the MMC.

The roof replacement is scheduled for 2020. Turner Morris provided a budget figure of \$394,000 to replace the roofs on all buildings. Ked Martin bid \$255,200 for the roofs. Ideally, all roofs would be replaced in one summer but a staggered approach will be considered as well. The project was built over the course of several years, so it may work best to do the roof replacements over the course of a few years based on their condition. A special assessment may be necessary, but will hopefully be minimal.

Painting is also scheduled for 2020 and the Board is considering hiring a contractor to oversee the workers and the project to ensure all items on the contract are completed as specified. Katie will get a budgetary figure for this.

MANAGEMENT REPORT

Katie gave the following management report:

- Roof inspection and repairs
- Railings secured
- Tree pruning
- Weed whacing
- Exterior siding replaced with cementitious siding (G80)
- Touch up painting
- Second floor entry decks stained
- Insurance policy renewed to include increased coverage
- Snow plowing agreement renewed with RKR
- Crack sealing by Jet Black

OLD BUISINESS

• Parking issues were discussed. The Board noted that only one vehicle is allowed in guest parking at a time. Vehicles have been parked on the street or left in guest parking longer than a week at a time.

NEW BUSINESS

The following new business items were discussed:

• The Board discussed moving the annual meeting to another time of year so more owners could attend. Katie will poll the owners when sending out the minutes.

REMINDERS

- Katie reminded owners that if they rent their unit, the lease must be provided to SRG to be kept on file. The Board suggest vehicle information be collected as well.
- Owners are responsible for their tenants and guests. Please make sure all unit occupants and visitors are aware of the rules and regulations.
- Owners should be turning on their heat tape now. Abdoul said a north facing gutter needs heat tape installed on his unit G68. Katie will get pricing from Ked.

ELECTION OF DIRECTORS

The Board is comprised of five (5) directors, each of whom serve 1-Year terms. All directors agreed to serve another term.

MOTION: The motion was duly made and seconded to elect Jack Carpenter, Steven Beck, Heather Wood, Abdoul Wylie, and C.B. Bechtel to the Board. The motion passed with all in favor.

NEXT YEAR'S MEETING DATE

To be determined.
