Renewal Documents

Each year we provide the Unit Owner letter specifically for the association describing how a unit owner should design their individual unit's insurance coverage. Also provided is a Summary of Insurance for the insurance policies written through Mamich Insurance for the Association. Both are intended for distribution to the ownership.

Reporting Claims

Property Managers should report all claims directly to Mamich Insurance Agency at 970.879.1330 as soon as possible after the loss. An Incident Report along with any available photos should follow to Commercial@mamichagency.com. These forms plus a wealth of information are available at www.mamichagency.com. Please remember to keep all faulty parts involved in a loss. We recommend that all parties and units affected by a loss file a claim to properly assess damage and responsibility.

Certificate of Insurance Requests

Lender requests for Certificates of Insurance must be submitted to www.mamichagency.com. The certificates tab on the website must be filled out completely and a certificate will be delivered within a maximum of two business days. For Unit Owner requests for proof of HOA Insurance please call 970.879.1330.

Billing

Carriers offer various payment plans and methods. We have included information for all your billing needs. Farmers provides a number of billing options that can be customized to your needs. Any outside lines billing, you can expect to receive via email from our billing email – billing@mamichagency.com. If you have any questions about billing, please contact one of our Team Members.

Thank you,
