

Notes from June 10 walk around

1. Bid obtained to replaced the concrete on the Ten Mile Drive entrance due to the drain pan deteriorating.
2. Dale (site manager) picked up branches that had fallen from trees
3. Dale arranged rocks in the beds next to the buildings, so they looked better.
4. Neils Lunceford was reminded that they need to prune the trees on the property.
5. Comcast will be called about installing a static internet line in the hot tub mechanical room to hook up to the hot tub chemical monitor.
6. I will meet with a window company to obtain a scope for window replacement and a preferred window.
