All payments received on an account of any Owner or the Owner's Residential Unit shall be applied first to the payment of any delinquent Assessments, then to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents.

Section 4.7 Effect of Non-Payment of Assessments.

- (a) Any Assessment, charge, or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within 30 days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors which may not exceed 8% per annum, or such higher amount allowed by law, to accrue monthly from the due date. The Association may also assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within 60 days of the due date thereof shall cause the total amount of such Owner's Common Expense Assessment for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Member's annual Assessment.

(c) Further, the Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof, and may also proceed to foreclose its lien against such Owner's Residential Unit. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Residential Unit at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner abandons or leaves vacant their Residential Unit, the Board may take possession and rent said Unit or apply for the appointment of a receiver for the Residential Unit without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under the Act.

Section 4.8 Lien Priority.

The lien of the Association under this Section is prior to all other liens and encumbrances on a Residential Unit except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Residential Unit (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Residential Unit. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. Sale or transfer of any Residential Unit shall not affect the lien for said Assessments or charges except that sale or transfer of any Residential Unit pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any

Residential Unit from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

Section 4.9 Borrowing.

The Association shall have the power to assign its right to future income, including the right to assign its right to receive Assessments for Common Expenses, but only upon the affirmative vote of a majority of the Owners present and voting at a meeting called for that purpose in which a quorum is present.

ARTICLE 5 RESTRICTIONS

Section 5.1 Flexible Application of the Subsequent Covenants and Restrictions.

All Residential Units within the Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

Section 5.2 Authority.

All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to their Residential Unit, acknowledge that they have been given notice, and that:

- (a) The ability of Owners to use their Residential Unit may be limited by the provisions in the Governing Documents.
- (b) The Board may establish penalties for the infraction of the Governing Documents and/or regulations, and Owners will be responsible for fines assessed against them based on violations committed by their tenants, guests, and invitees for violations.
- (c) All fines imposed are collectable as Assessments.

Section 5.3 Acquisition of Multiple Residential Units.

No Owner who owns or controls four or more Residential Units (combined total) in the Community, directly or indirectly through an affiliate of the Owner, shall acquire, whether directly or indirectly through an affiliate of the Owner, any interest in any additional Residential Unit in the Community, whether through purchase, trade, gift, inheritance, lease, merger, consolidation or other means of acquisition. Notwithstanding anything in this Declaration to the contrary, this restriction on acquisition of Residential Units shall not apply to a mortgagee acquiring title to a Residential Unit subject to a mortgage by foreclosure or deed in lieu of foreclosure. This restriction shall be enforceable

by the Association or any Owner by means of an action for injunction to restrain any future acquisition or to require an Owner who has violated this restriction to divest any interest so acquired.

Section 5.4 Use/Occupancy.

All Residential Units within the Community shall be used only for those uses and/or purposes as allowed by this Declaration, subject to any Rules and Regulations adopted by the Association. Residential Units shall not be used for any purpose other than a residential dwelling except as set forth in this Section.

Home occupations shall be allowed pursuant to Colorado law. External advertising of any kind is prohibited. Uses which have one or more of the following characteristics are not permitted: (a) manufacturing or fabrication of any kind; (b) storage of hazardous materials; (c) increased traffic or parked vehicles beyond that reasonable and customary to a residential dwelling use; (d) permanent or long term parking of heavy equipment, including semi trailers; (e) the use or rental of any structure on a Lot for any transient, hotel, motel, bed and breakfast, restaurant, bar or other commercial purposes.

Section 5.5 Maintenance of Lots and Improvements.

Owners are responsible for the maintenance, repair, and replacement of the property and improvements located within their Lot boundaries. The Association, and its agents, shall have the authority, after giving the Owner 30 days written notice, to enter, replace, maintain, repair and clean up Lots which do not conform to the provisions of this Section, and to charge and collect from the Owner thereof all reasonable costs related thereto as an Assessment hereunder. Additional maintenance obligations for Residential Units bound by the Condominium Declaration are further set forth in the Condominium Declaration.

Section 5.6 Landscaping Requirements and Restrictions.

All landscaping in the Community shall be maintained by the responsible party in a good, neat, attractive and well-kept condition, whether xeriscaped or with turf, which shall include lawns mowed, hedges, shrubs, and trees pruned and trimmed, and removal of weeds and debris.

Section 5.7 Restrictions on Pets.

Up to three (3) Pets per Lot may be kept, if the Pet is not a nuisance to other residents. No resident shall maintain or keep any Pet which, in the sole discretion of the Board, is considered to be a danger to the Owners, management staff or occupants in the Community or is otherwise considered to be a dangerous breed, as may be further defined in the Rules and Regulations. If a Pet is deemed a nuisance by the Association, the resident having control of the Pet shall be given a written notice to correct the problem and if not corrected, that resident will be required to remove the Pet from the Community pursuant to, and in accordance with, any dispute resolution procedures as may be set forth in this Declaration or the Rules and Regulations, if any. Pets may not be kept for any commercial

purposes. Animals are not permitted in the recreational areas. When on other Common Area, Pets must be on a leash and under control. Feces left by Pets upon the Common Area must be removed promptly by the owner of the Pet or the person responsible for the Pet. Owners shall hold the Association harmless from any claim resulting from any action of their Pets or the Pets of their tenants, guests or other invitees.

Section 5.8 Antennae.

“Permitted Antennas” are defined as (a) an antenna which is less than one meter in diameter and is used to receive direct broadcast satellite service, including direct-to-home satellite services, or is used to receive or transmit fixed wireless signals via satellite; (b) an antenna which is one meter or less in diameter and is used to receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instruction television fixed services, and local multipoint distribution services or is used to receive or transmit fixed wireless signals other than via satellite; (c) an antenna which is designed to receive or broadcast television signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station, or similar device of any type shall be erected, installed, or maintained on a Lot.

Section 5.9 Tanks.

No storage tanks of any kind (either elevated or buried), except for small portable tanks associated with an outdoor gas grill shall be erected, placed or permitted upon any Lot without the prior written approval of the Association.

Section 5.10 Nuisances.

No nuisance shall be permitted within the Community, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs, any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Residential Unit or any Common Area, or any portion of the Community by residents. Nuisance shall be further defined in the Rules and Regulations.

Section 5.11 Vehicular Parking, Storage, and Repairs.

Parking upon any Common Area shall be regulated by the Association.

(a) No abandoned, unlicensed, or inoperable automobiles or vehicles of any kind shall be stored or parked within the Community unless parked or stored within a garage. An "abandoned or inoperable vehicle" shall be defined by Colorado statutes governing inoperable or abandoned vehicles on public streets, or as defined by rule or regulation adopted by the Association.

(b) No parked vehicle may impede the safe and efficient use of the streets and pedestrian easements by residents, obstruct emergency access to/from the Community, or interfere with the reasonable needs of other residents to use their driveway, Community streets, pedestrian easements or guest parking, if any.

(c) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer or boat, may be performed or conducted outside of garages. This provision shall not be deemed to prevent washing and polishing of a vehicle, together with those activities normally incident and necessary to such washing and polishing, provided washing is done with a hose with a shut off valve to prevent waste of water. Minor repairs may be performed, provided they may be completed the day commenced, there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work. No vehicles may be left unattended on jacks or jack stands.

(d) Parking in fire lanes (as designated by the Association or as designated by local government or a local fire protection authority) and pedestrian easements shall be prohibited.

(e) If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's Rules and Regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after 72 hours the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A notice also shall be conspicuously placed at the Community stating the name and telephone number of the person or entity which will do the towing and/or booting hereunder. If 72 hours after such notice is placed on the vehicle the violation continues the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user, and the owner thereof shall be solely responsible for all towing and storage charges.

(f) A vehicle towed immediately, if allowed per state law, and no notice shall be required.

(g) If a vehicle is towed or booted in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to

any person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Section 5.12 Use of Common Area.

There shall be no obstruction of any Common Area or pedestrian easement, nor shall anything be kept or stored on any part of any Common Area or pedestrian easement without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from any Common Area or pedestrian easement without the prior written approval of the Association.

Section 5.13 No Annoying Lights, Sounds, or Odors.

No light shall be emitted from any portion of the Community which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be emitted from any portion of the Community which would reasonably be found by others to be noxious or offensive as further defined in the Rules and Regulations. Without limiting the generality of the foregoing, no exterior spot lights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Community except with the prior written approval of the Association.

Section 5.14 No Hazardous Activities.

No activity shall be conducted on and no improvement shall be constructed on any Property within the Community which is or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Property within the Community. No open fires shall be lighted or permitted on any Property within the Community except in a contained barbeque unit while attended and in use for cooking purposes or within an interior or exterior fireplace designed to prevent dispersal of burning embers unless otherwise prohibited by governmental ordinances. No Owner or Owners shall permit any condition on their Lot which creates a fire hazard or is in violation of applicable fire prevention regulations.

Section 5.15 Restrictions on Clotheslines and Storage.

Except for retractable clotheslines which comply with reasonable aesthetic regulations adopted by the Board and except as otherwise permitted by Colorado law, no clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas shall be installed, allowed, kept, maintained or permitted on any Lot unless the same, in each instance, is expressly permitted in writing by the Association. Owners shall deem to hold the Association harmless from any claim resulting from any clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas maintained on their Lot.

Section 5.16 Restriction on Signs and Flags.

Signs, posters, billboards, and flags (including flag poles) may be displayed in accordance with Colorado law. The Association may prohibit signs and flags bearing commercial messages, and may establish reasonable, content-neutral regulations addressing the number, placement, or size of the signs and flags, and other objective factors as permitted by Colorado law.

Section 5.17 Outbuildings and Temporary Structures.

An “outbuilding” shall mean an enclosed or covered structure not directly attached to the dwelling it serves. No outbuilding or temporary structure, including sheds, trailers, mobile homes, tents, shacks, barns, or detached garages or carports, shall be allowed on any Lot unless approved in writing by the Board of Directors or the Architectural Review Committee. Further, no outbuilding or temporary structure shall be used on any Lot at any time for residential purposes, either temporarily or permanently.

Section 5.18 Trash Removal Restriction.

No garbage, refuse, rubbish, or cuttings shall be deposited on any street, road or any Common Area or on any Lot, unless placed in a suitable container suitably located. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trash cans or receptacles shall be maintained in an exposed or unsightly manner. The Association shall have the exclusive right to engage a trash removal contractor on behalf of the Owners. Improved Lot Owners have access to Condominium dumpsters. The Association levies a supplemental assessment for this access.

Section 5.19 Smoking and Vaping Prohibition.

(a) Definitions. For the purposes of this Section, the following terms shall be defined as follows:

(i) “Smoking” shall mean and include the inhaling, exhaling, burning or carrying of any lighted cigarette, cigar or other tobacco product, marijuana or any other legal or illegal substance.

(ii) “Vaping” shall mean and include the inhaling and exhaling of vapor through the mouth from a battery or other operated electronic device (such as an electronic cigarette or JUUL) that heats up and vaporizes a liquid or solid.

(b) Smoking and Vaping Prohibition. No Owner, guest, family member, tenant, resident, business invitee or visitor shall smoke cigarettes, vaping devices, cigars, other tobacco products and/or any other legal or illegal substance within Outlot B (which includes the clubhouse, hot tub, patio and tennis courts).

Section 5.20 Prohibited Activities.

No Owner or occupant of a Residential Unit may engage in hoarding, creating conditions conducive to indoor fires, allowing Residential Units to fall into a state of disrepair to the point that rodents or other pests enter, or any other conditions which could cause damage or harm to other Residential Units in the Community.

Section 5.21 Rules and Regulations.

In furtherance of the provisions of this Declaration, and the general plan, Rules and Regulations concerning and governing the Community or any portion thereof may be adopted, amended, or repealed from time to time by the Board of Directors. The Board of Directors may establish and enforce penalties for the infraction thereof.

Section 5.22 Compliance with Governing Documents.

Each Owner shall comply strictly with the provisions of this Declaration, the Articles of Incorporation, Bylaws, and the Rules and Regulations of the Association, as amended.

Section 5.23 Restriction on Mining and Drilling.

No Property within the Community shall be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing oil, gas, or other hydrocarbons, minerals, rocks, stones, gravel or earth.

Section 5.24 Use of the Words Mountain Side P.U.D. and Mountain Side Homeowners Association.

No Owner or resident shall use the words Mountain Side P.U.D. or Mountain Side Homeowners Association or the logo of the Community or Association, if any, or any derivative thereof, in connection with any goods, materials or services, the use of which is likely to cause confusion, mistake or deception as to the source or origin of such goods, materials or services, without the prior written consent of the Association.

ARTICLE 6 ARCHITECTURAL REVIEW OF LOTS

Architectural Review for Condominium Units is set forth more fully in the Condominium Declaration and Condominium Architectural Review Guidelines.

Section 6.1 Required Approval.

No structures, including residences, outbuildings, accessory buildings, tennis courts, swimming pools, hot tubs, antennas (except as otherwise permitted in this Declaration), flag poles (except as otherwise permitted by the Act), fences, walls, exterior lighting, landscaping, or any other improvements shall be constructed, erected, relocated, removed or installed on a Lot, nor shall any painting, alteration or change to the exterior of the improvements, the exterior of a residence, to a Lot, or to any structure or any attachment to the exterior of a residence (including paint, awnings, patios, decks, or shutters) be commenced unless complete plans and specifications shall have been first submitted to and approved in writing by the Architectural Review Committee ("Committee") as may be outlined in the Rules and Regulations.

No alteration, improvement, or change to the interior of a residence which affects the exterior appearance of the residence shall be commenced unless complete plans and specifications shall have been first submitted to and approved in writing by the Committee. The Committee may require that applications of Lot Owners and their plans and specifications show exterior design, height, materials, color, location of the structure or addition to the structure or proposed improvement (plotted horizontally and vertically), location and size of driveways, walls, windbreaks and grading plan, as well as such other materials and information as may be required by the Committee.

Section 6.2 Acknowledgment of Lot Owners.

Lot Owners acknowledge, accept and agree to the following:

- (a) Owners will not commence construction or installation of an improvement until they have submitted improvement plans and specifications and received written approval from the Committee;
- (b) Owners shall immediately comply with any request by the Association for additional information relating to an improvement prior to the Committee's approval of a request and/or prior to the completion of an improvement. Failure to comply with such a request by an Owner shall result in the withdrawal of Committee approval, if previously granted;
- (c) Committee approval does not constitute approval of the local building or zoning department, drainage design or structural soundness;
- (d) Owners, by submitting an application for approval, hereby certify: (i) they will construct or modify improvements located only on their own Lot; and (i)

they will not violate any easements, rights-of-way, or other rights appurtenant to such Property.

(e) Owners shall notify the Committee of completion of the improvement's installation or construction within fourteen days of such completion;

(f) Upon completion of an improvement, Owners authorize the Committee or its representative(s) to enter onto the Lot for exterior inspection;

(g) Failure of an Owner to notify the Committee of completion of an approved improvement, or refusal to allow inspection, shall result in the withdrawal of the Committee's approval;

(h) If the improvement as built does not conform to the improvement as approved by the Committee, the Committee's approval will be deemed withdrawn, and upon written request of the Committee, Owners shall, at their own expense and cost, promptly bring the improvement into compliance with the submitted and approved plans and specifications;

(i) In the event of withdrawal of Committee approval for any reason(s) cited in this Section, and upon written request from the Committee, the Owner, at their expense and cost, shall promptly restore the Lot to substantially the same condition as it existed prior to commencement of the improvement's installation or construction, and such withdrawal will be deemed to toll the statute of limitations as it pertains to the improvement until such time as the improvement is brought into compliance.

Section 6.3 Architectural Criteria.

The Committee shall exercise its reasonable judgment to the end that all attachments, improvements, construction, landscaping and alterations to improvements on a Lot or landscaping of a Lot shall comply with the requirements set forth in this Declaration. The approval or consent of the Committee on matters properly coming before it shall not be unreasonably withheld, and actions taken shall not be arbitrary or capricious. Approval shall be based upon, but not limited to, conformity and harmony of the exterior appearance of structures with neighboring structures, effective location and use of improvements on nearby Lots, preservation of aesthetic beauty, and conformity with the specifications and purposes generally set out in this Declaration. Upon its review of such plans, specifications and submittals, the Committee may require that the applicant(s) reimburse the Board for actual expense incurred by it in its review and approval process.

Section 6.4 Establishment of the Committee.

The Committee shall consist of a minimum of three members appointed by the Board of Directors. The Board shall have the authority to remove any members of the Committee at their sole discretion. All Committee members shall be Lot Owners.

Section 6.5 Architectural Guidelines.

The Committee may propose architectural guidelines from time to time, which guidelines may be approved by the Board of Directors and included in or with any Rules and Regulations of the Association.

Section 6.6 Reply and Communication.

The Committee shall reply to all submittals of plans made in accordance herewith in writing within 30 days after receipt. In the event the Committee fails to take any action on submitted plans and specifications within 30 days after the Committee has received the plans and specifications, approval shall be deemed to be denied. All communications and submittals shall be addressed to the Committee in care of the Association.

Section 6.7 Conditions of Approval.

In the discretion of the Board or the Committee, an Owner may be required to enter into a written agreement establishing the approval of the application in recordable form acknowledged by such Owner on behalf of themselves and all successors-in-interest. As a condition of approval for a requested architectural change, modification, addition or alteration, an Owner, on behalf of themselves and their successors-in-interest, affirms and shall assume, unless otherwise agreed in writing, all responsibilities for maintenance, repair, replacement and insurance to and on such change, modification, addition or alteration.

Section 6.8 Commencement and Completion of Construction.

All improvements approved by the Committee must be commenced within one year from the date of approval. If not commenced within such time, then such approval shall be deemed revoked by the Committee, unless the Committee gives a written extension for commencing the work. Additionally, except with written Committee approval otherwise, and except for delays caused by strikes, fires, national emergencies, critical materials shortages or other intervening forces beyond the control of the Owner, all work approved by the Committee shall be completed within one year of commencement.

Section 6.9 Variances.

The Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration in order to overcome practical difficulties and unnecessary hardships arising by reason of the application of the conditions and restrictions contained in this Declaration or in architectural guidelines.

Section 6.10 Right to Appeal.

If the Board of Directors is not acting as the Committee, an Owner whose plans have been disapproved or conditionally approved may appeal any decision of the Committee to the Committee and then to the Board of Directors if the Committee does not change its position. The Board of Directors shall review the decision of the Committee pursuant to

the criteria set forth in this Article and/or the architectural guidelines. Any decision of the Committee may be overruled and reversed on appeal by a majority of the Directors by a written decision setting forth the reasons for the reversal when the Directors conclude that the Committee's decision was inconsistent with the criteria set forth in this Article and the guidelines.

Section 6.11 Waivers.

The approval or consent of the Committee, or appointed representative thereof, to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Committee as to any application or other matters subsequently or additionally submitted for approval or consent.

Section 6.12 Liability.

The Committee and the members thereof, as well as any representative of the Board designated to act on its behalf, shall not be liable in damages to any person submitting requests for approval or for any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction under these covenants. Neither the Board nor the Committee shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. The Association will not make any investigation into title, ownership, utility easements, rights-of-way, or other rights appurtenant to Property with respect to architectural requests and shall not be liable for any disputes relating to the same. The committee shall review any encroachments or other potential violations of pedestrian easements and shall not be liable for any disputes relating to the same.

Section 6.13 Enforcement.

Enforcement of these covenants, restrictions, charges and other provisions, as amended, may be by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provision. The Association shall have the right, but not the obligation, to institute, maintain and prosecute any such proceedings. In any action instituted or maintained under this Section, the Association may be entitled to recover its costs and reasonable attorney fees incurred pursuant thereto, as well as any and all other sums awarded by the court. Failure of the Association to enforce any covenant or restriction contained in this Section shall in no event be deemed a waiver of the right to do so thereafter. In addition, or in the alternative, the Association shall have all other enforcement rights as set forth in this Declaration.

ARTICLE 7 INSURANCE/CONDEMNATION

Section 7.1 Insurance.

Each Owner has the responsibility to obtain hazard insurance covering loss, damage or destruction by fire or other casualty to the improvements, installed or made to their Lot,

Coverage shall include, without limitation, liability for personal injuries and operation of automobiles on behalf of the Association.

Section 7.5 Association Fidelity Insurance.

The Association shall obtain fidelity coverage or fidelity bonds to protect against dishonest acts on the parts of its officers, directors, trustees and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The Association shall obtain directors' and officers' personal liability insurance to protect the officers, managers, committee members and any person acting at the discretion of the Board from personal liability in relation to their duties and responsibilities in acting as officers and directors on behalf of the Association.

Section 7.8 Miscellaneous Terms Governing Insurance Carried by the Association.

The Association shall maintain, to the extent reasonably available, insurance policies with the following terms or provisions:

(a) All policies of insurance shall provide that each Owner is an insured under the policy with respect to liability arising out of such Owner's membership in the Association.

(b) All policies of insurance shall contain waivers of subrogation against any Owner or member of their household.

(c) All policies of insurance shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without prior written notice to all of the Owners as provided by Colorado law and to the Association.

(e) All liability insurance shall name the Association, the Board, the manager or managing agent, if any, the officers of the Association, holders of first lien security interests, their successors and assigns and Owners as insureds.

(f) Prior to the Association obtaining any blanket policy of casualty insurance on any Common Area, the Board may obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonably estimate the full replacement value of any Common Area and any improvements thereon, without deduction for depreciation, and/or consider other factors, for the purpose of determining the amount of the insurance to be effected pursuant to the provisions hereof. In the event the Association obtains casualty insurance on the Lots, then in no event shall that casualty insurance policy contain a co-insurance clause.

(g) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of the Owner.

(h) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner.

Section 7.9 Other Association Insurance.

The Association may obtain insurance against such other risks, of similar or dissimilar nature, including flood insurance, as it shall deem appropriate with respect to the Association responsibilities and duties.

Section 7.12 Adjustments by the Association.

Any loss covered by an insurance policy described above shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association and not to any holder of a first lien security interest. The Association shall hold any insurance proceeds in trust for the Association, Owners and holders of first lien security interests as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association is not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored.

Section 7.13 Duty to Repair.

Any portion of the Community for which the Association is required to insure under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association, except as provided in the Act.

Section 7.14 Condemnation and Hazard Insurance Allocations and Distributions.

In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be as the parties with interests and rights are determined or allocated by record and pursuant to the Act.

Section 7.15 Responsibility for Payment of Deductible Amount.

Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the Association shall pay or absorb the deductible amount for any work, repairs or reconstruction for damage to Common Area or other property insured by the Association unless the damage is caused by the negligent or willful act or omission of an Owner, their family, guests, renters, or invitees, in which case the Association shall seek reimbursement of the deductible amount in compliance with and under the terms of the Declaration.

Section 7.16 Insurance Assessments.

If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. This Insurance Assessment shall not be considered an Assessment as discussed in this Declaration and shall not require any vote or ratification of the Owners.

Section 7.17 Damage to or Destruction on Lots.

In the event of damage to or destruction of structures or improvements on a Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure and improvements in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made by the Owner in cases of substantial damage or destruction. If the structure is substantially destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction, and, thereafter, the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with this Declaration.

ARTICLE 8 GENERAL PROVISIONS

Section 8.1 Compliance and Enforcement.

(a) Every Owner and occupant of a Residential Unit shall comply with the Governing Documents, and each Owner shall have the right to enforce the covenants and restrictions, as set forth in this Declaration.

(b) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:

(i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which fine shall constitute a lien upon the violator's Residential Unit;

(ii) suspending the right to vote and the right to use Common Area;

(iii) exercising self-help (including, but not limited to, performing such maintenance responsibilities which are the Owner's responsibility under this Declaration and assessing all costs incurred by the Association against the Residential Unit and the Owner as an Assessment) or taking action to abate any violation of the Governing Documents;

(iv) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of the Governing Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed, at the Owner's expense, and any such action shall not be deemed a trespass, with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Assessment under the terms of this Declaration;

(v) without liability to any person, the Association precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration from continuing or performing any further activities in the Community;

(vi) levying specific Assessments to cover costs incurred by the Association to bring a Residential Unit into compliance with the Governing Documents; and

(vii) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

(c) In addition to any other enforcement rights, if an Owner fails to properly perform their maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation against the Owner and the Residential Unit.

(d) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and court costs, reasonably incurred in such action.

(e) The decision of the Association to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board shall not be arbitrary or capricious in taking enforcement action. A decision of the Association to not pursue enforcement action shall not be construed as a waiver of the Association's right to enforce such provisions at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule.

Section 8.2 Attorney Fees.

If an Owner fails to pay any Assessment as provided in this Declaration, the Association may require reimbursement for reasonable attorney fees and costs without the necessity of commencing a legal proceeding. If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing a legal proceeding. In a legal proceeding in any way related to the Governing Documents or the Community, the court shall award to the prevailing party reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner shall be charged as an Assessment and shall constitute a lien against the Lot or Residential Unit.

Section 8.3 Severability.

Each of the provisions of this Declaration shall be deemed independent and severable. If any provision of this Declaration or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of this Declaration which can be given effect without the invalid provisions or applications.

Section 8.4 Term of Declaration.

The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 8.5 Amendment of Declaration by Owners.

Any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of Members holding at least more than 50% of the total votes in the Association. Notice of any meeting at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of Summit County of a certificate setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.

Section 8.6 Captions.

All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

Section 8.7 Interpretation.

The provisions of this Declaration shall be construed to effectuate their purposes of creating a uniform plan for promoting and effectuating the fundamental concepts as set forth in this Declaration. The Board of Directors shall have the authority to interpret the meaning of any provision contained in this Declaration. This Declaration shall be construed and governed under the laws of the State of Colorado.

Section 8.8 Singular Includes the Plural.

Unless the context otherwise requires, the singular shall include the plural, and the plural shall include the singular, and each gender referral shall be deemed to include the masculine, feminine and neutral.

Section 8.9 Challenge to this Amendment.

All challenges to the validity of this amendment or any future amendments must be made within one year after the date of recording of this document. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 8.10 Non-Waiver.

Any forbearance or failure to enforce any provisions of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration or of any subsequent enforcement of such provision.

Section 8.11 Conflict of Provisions.

In case of conflict between this Declaration and the Articles or Bylaws, this Declaration shall control. In the case of conflict between the Articles and Bylaws, the Articles shall control.
