(b) The Interest in General Common Elements appurtenant to each of the initial Units of the Condominium are set forth on Exhibit C attached hereto and made a part hereof.

(c) If any Units are added to or withdrawn from the Condominium, or if the Area of one or more Units is increased or decreased, the Interest in General Common Elements for all Units within the Condominium after such addition or withdrawal, increase or decrease shall be recalculated in accordance with the formula set forth in paragraph 3.2(a) above.

4.1 Formation of the Association.

On or before the date on which Declarant conveys the first Unit to a Purchaser, Declarant shall form the Association.

(ii) exercise any powers conferred on it by the Act or any Association Document; and

(iii) exercise all powers that may be exercised in Colorado by nonprofit corporations.

(c) Without in any way limiting the generality of paragraph 4.2(b) above, the Association may, but is not obligated to:

(i) provide certain facilities and services to the Owners, such as (A) recreational facilities and services, (B) water, sewer, gas, electric, cable television and other utility services, (C) parking facilities; (D) trash collection facilities and services; and (E) snow removal facilities and services.

(a) This Declaration creates the Condominium and sets forth certain covenants, conditions, restrictions, reservations, easements, assessments, charges and liens applicable to the Property. The Articles create the Association. The Bylaws provide for the regulation and management of the Association, and the Rules and Regulations provide for the regulation and management of the Condominium.

(b) If there is any conflict or inconsistency between the terms and conditions of this Declaration and the terms and conditions of the Articles, the Bylaws or the Rules and Regulations, the terms and conditions of this Declaration shall control. If there is any conflict or inconsistency between the terms and conditions of the Articles and the terms and conditions of

the Bylaws or the Rules and Regulations, the terms and conditions of the Articles shall control. If there is any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of the Rules and Regulations, the terms and conditions of the Bylaws shall control.

4.4 Books and Records.

Upon request, the Association shall allow Owners and Mortgagees and their respective agents to inspect current copies of the Association Documents and the books, records, budgets and financial statements of the Association during normal business hours and under other reasonable circumstances. The Association may charge a reasonable fee for copying such materials.

4.5 Association Litigation.

(a) In recognition of the expenses and disruption associated with litigation, the Association shall not commence a judicial or administrative proceeding without the approval of Owners representing at least 75% of the total vote of the Association.

(b) Neither the Association nor any Owner shall institute an action against any Person which arises out of an alleged defect in the construction of the Condominium until: (i) Declarant and the Person(s) who physically constructed the portion of the Condominium in which the alleged defect exists have been notified and given a reasonable time and opportunity in which to inspect, assess, correct, or redesign any alleged defect or other portions of the Condominium (provided, however, that the terms of this Section shall not create an obligation of any Person to effect a repair of an alleged defect); (ii) the Association or Owner(s) have pursued their remedies under any express warranty covering all or any portion of the alleged defect; (iii) the Declarant and the affected contractor(s) have been given the opportunity to be heard at a meeting of the Association regarding the alleged defect; and (iv) all proposed parties to the action have been given a reasonable opportunity to mediate any dispute or disagreement relating to the alleged defect, and have either participated or refused to participate in such mediation.

(c) Notwithstanding any other provision of this Declaration, prior to instituting any action affected by Section 4.5(b), the Association shall notify each proposed defendant in such action and offer to resolve all claims, controversies and disputes at issue in such proposed action by conclusive binding arbitration under the Construction Industry Arbitration Rules of the American Arbitration Association. Each such proposed defendant shall have a period of sixty days from the receipt of such notice in which to accept the offer of arbitration by written notice to the Association. This arbitration provision is irrevocable and, as to the proposed defendants which accept the Association's offer in a timely manner (the "Accepting Persons"), provides the exclusive forum for the resolution of all such controversies, disputes and claims. No award shall be made against any Accepting Person for amounts in excess of the cost of repairing the alleged defect, nor shall any award be made for punitive or exemplary damages, nor for any special, indirect or consequential damages, including, without limitation, any damages based on a

claimed diminution in the value of the Condominium or any Unit, even if the Accepting Person has been advised of the possibility of such damages. Any claim to an award of such damages is hereby expressly waived. The results of the arbitration shall be final and binding upon all parties to the arbitration, and judgment may be entered upon such results in accordance with applicable law in any court of competent jurisdiction, each party paying its own attorneys fees, costs and expenses.

After compliance with the terms of this Section 4.5, the Association may commence and pursue litigation against proposed defendants in the action other than the Accepting Persons. No such action arising out of or relating to any claim affected by this Section shall include, by consolidation or joinder or class certification or in any other manner (including without limitation, inclusion as an original or additional third party to any litigation), any Accepting Person, and the Association shall indemnify each Accepting Person against all damages, attorneys fees, costs and expenses suffered by such Accepting Person as a result of such inclusion.

(d) No action affected by Section 4.5(b) shall be conducted utilizing legal counsel who are compensated on a contingency fee or similar means of compensation in which litigation costs and attorneys fees are not paid on a current basis or are paid out of the settlement or judgment amount recovered by the Association in such action. No action affected by Section 4.5(b), regardless of the nature of the claim for relief, may be had or maintained against any Person unless the offer of arbitration contemplated by Section 4.5(c) has been given to such Person within one year after the cause of action relating to the dispute, claim or controversy has accrued.

(e) This Section 4.5 shall not apply to: (i) actions brought by the Association to enforce the Governing Documents (including, without limitation, the foreclosure of liens); (ii) the collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; (iv) counterclaims brought by the Association in proceedings instituted against it; or (v) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of an express contract with the Association or its manager for services or supplies. This Section 4.5 shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided in Section 4.5(a) above.

ARTICLE V

MEMBERSHIP AND VOTING

5.1 Membership.

(a) There shall be one Membership appurtenant to each Unit. The Membership appurtenant to a Unit shall be held by the Owners of that Unit and may not be separated from the Unit to which it is appurtenant. A Membership may be transferred or

encumbered only in connection with the conveyance or encumbrance of a fee simple interest in the Unit to which the Membership is appurtenant. Any transfer or encumbrance of a Membership other than as permitted in this Section 5.1 shall be void and have no force or effect.

(b) Notwithstanding anything to the contrary in paragraph 5.1(a) above, an Owner may assign its voting rights to any Person by duly executed proxies timely delivered to the Association.

5.2 Voting.

(a) Each Membership shall be entitled to one vote, regardless of the number of Owners of the Unit to which the Membership is appurtenant; provided, however, that Units with a floor area in excess of 5,000 square feet shall have two votes. Fractional voting shall not be allowed. If the Owners of a Unit cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter. If any Owner casts a vote representing a Membership appurtenant to a particular Unit, it will thereafter be presumed for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Membership, unless objection thereto is made by an Owner of that Unit in person or by proxy to the Person presiding over the meeting at the time the vote is cast. If more than one vote is cast for any particular Membership, none of such votes shall be counted and all of such votes shall be deemed null and void.

(b) In any election of Directors to the Executive Board, every Membership shall have the number of votes equal to the number of Directors to be elected. Cumulative voting shall not be allowed in the election of Directors to the Executive Board or for any other purpose.

(c) The Association shall have no voting rights for any Membership appurtenant to any Unit owned by the Association.

ARTICLE VI

EXECUTIVE BOARD

6.1 Number and Election of Directors.

The Executive Board shall consist of three Directors or such greater number (not to exceed seven) as may be provided by the Bylaws. The initial Directors shall hold office until the election or appointment of their successors at the year 2001 annual meeting. Thereafter, subject to the terms and conditions of Sections 6.3 and 6.4 below, each Director will hold office for a term of one year, and the Owners shall elect the Directors at the annual meetings; provided, however, that the Bylaws may provide for a longer term of office (not to exceed three years) and may provide for staggered terms of Directors so as to provide continuity in membership.

6.2 Powers of the Executive Board.

- (a) Except as provided in this Declaration, the Articles and the Bylaws, the Executive Board may act on behalf of the Association in all instances.
- (b) The Executive Board may not act on behalf of the Association to:
- (i) amend this Declaration;
 - (ii) terminate the Association, this Declaration or the Condominium;
 - (iii) elect Directors to the Executive Board, other than to fill a vacancy for the unexpired portion of any Director's term, subject to Declarant's rights under Section 6.3 below; or
 - (iv) determine the qualifications, powers and duties, or terms of office, of Directors.

6.3 Declarant Control Period.

(a) Subject to the terms and conditions of paragraphs 6.3(b) and (c) below, but notwithstanding anything else to the contrary contained in this Declaration or in any other Association Document, Declarant shall have the exclusive right to appoint and remove all Directors and Officers during the Declarant Control Period. The phrase "Declarant Control Period" means the period commencing on the date on which Declarant forms the Association and ending on the earliest to occur of:

- (i) the date that is sixty days after conveyance to Purchasers of 75 percent of the maximum number of Units that may be created by Declarant under this Declaration;
- (ii) the date that is two years after the last conveyance of a Unit by Declarant or a successor Declarant in the ordinary course of business; or
- (iii) the date that is two years after any right to add new Units was last exercised.

(b) Declarant may voluntarily surrender its right to appoint and remove Officers and Directors prior to the expiration of the Declarant Control Period, but, in that event, Declarant may require, for the remainder of the Declarant Control Period, that specific actions of the Association or the Executive Board, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective.

(c) Notwithstanding anything to the contrary contained in paragraph 6.3(a) above, not later than sixty days after the conveyance of 25 percent of the Units that may be created under this Declaration to Purchasers, one Director appointed by Declarant shall be replaced with a Director elected by Owners other than Declarant.

(d) During the thirty-day period immediately preceding the date on which the Declarant Control Period expires, the Owners shall elect an Executive Board of three Directors, at least a majority of whom must be Owners other than Declarant or designated representatives of Owners other than Declarant. Such Directors shall take office upon election.

6.4 Removal of Directors.

Notwithstanding any provision of this Declaration or any other Association Document to the contrary, the Owners, by a 67 percent vote of all Memberships represented and entitled to vote at any meeting at which a quorum is present, may remove any Director, with or without cause, other than a Director appointed by Declarant during the Declarant Control Period.

ARTICLE VII

ASSESSMENTS, COMMON EXPENSES, BUDGETS AND LIENS

7.1 Obligations for Assessments.

(a) Each Owner, by accepting a deed to a Unit (regardless of whether it shall be expressly stated in such deed), shall be deemed to have covenanted and agreed, to pay to the Association all:

- (i) General Assessments;
- (ii) Special Assessments;
- (iii) Default Assessments; and
- (iv) other charges,

that the Association is required or permitted to levy or impose on such Owner or such Owner's Unit pursuant to this Declaration or any other Association Document. In addition each Owner shall be deemed to have covenanted and agreed to pay all assessments and other charges imposed by the Neighbourhood Company pursuant to the Neighbourhood Company Declaration.

(b) Notwithstanding the definition of the term "Owner":

- (i) a Person who acquires a Unit in a foreclosure sale shall be personally liable for all Assessments and other charges that the Association is

required or permitted to levy or impose on that Unit or on the Owner of that Unit commencing on the date of the foreclosure sale; and

(ii) a Person who acquires a Unit by deed-in-lieu of foreclosure shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit commencing on the date on which the Owner of the Unit executes the deed-in-lieu of foreclosure.

(c) No Owner shall be exempt from liability for any such Assessment or other charges by waiving the use or enjoyment of any Common Element or by abandoning a Unit against which such Assessments or other charges are made.

(d) Each Owner shall be personally liable for all Assessments and other charges levied on such Owner or such Owner's Unit during the period of such Owner's ownership of the Unit. If there is more than one Owner of a Unit, each Owner shall be jointly and severally liable with the other Owners of the Unit for all Assessments and other charges levied on the Unit or any Owner of the Unit.

(e) Each Assessment or other charge, together with interest and penalties thereon and all costs and expenses incurred by the Association to collect such Assessment or other amount, including all fees and disbursements of attorneys, accountants, appraisers, receivers and other professionals engaged by the Association in connection therewith, may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

7.2 Shares of Common Expenses.

(a) Except as otherwise set forth in this Declaration, the Association's Common Expenses shall be allocated among the Units as set forth in this Section 7.2. The Share of Common Expenses allocated to a Unit shall be expressed as a percentage and calculated in accordance with the following formula:

$$\text{Share of Common Expenses} = \frac{(\text{Area of the Unit})}{(\text{Total Condominium Area})} \times 100$$

(b) The Share of Common Expenses attributable to the initial Units of the Condominium are set forth on Exhibit C attached hereto and made a part hereof.

(c) If any Units are added to or withdrawn from the Condominium, or the Area of one or more Units is increased or decreased, the Shares of Common Expenses for all Units within the Condominium after such addition, withdrawal, increase or decrease shall be recalculated in accordance with the formula set forth in paragraph 7.2(a) above.

(d) Until the Association levies an Assessment, Declarant shall pay all Common Expenses.

7.3 Budgets.

(a) Prior to the first levy of a General Assessment, and thereafter on or before October 1 of each calendar year, the Executive Board shall adopt a proposed annual budget for the Association for the following calendar year that sets forth:

(i) the Executive Board's estimates of Common Expenses for the next calendar year;

(ii) the amount of funds for such Common Expenses that the Executive Board proposes to raise through General Assessments; and

(iii) the amount of funds for such Common Expenses that the Executive Board proposes to raise through Special Assessments.

(b) Within thirty days after adopting a proposed annual budget, the Executive Board shall deliver a summary of the proposed annual budget to the Owners and set a date for a meeting of the Owners to consider ratification of the proposed annual budget. The date of such meeting shall not be less than fourteen days nor more than sixty days after the delivery of the summary of the proposed annual budget to the Owners. Unless at that meeting a majority of the votes allocated to all Memberships, whether or not a quorum is present, rejects the proposed annual budget, the proposed annual budget shall be deemed ratified. If the proposed annual budget is rejected, the annual budget last ratified by the Owners shall be deemed renewed for the next calendar year and shall remain in full force and effect until such time as the Owners ratify a subsequent annual budget proposed by the Executive Board.

(c) If the Executive Board deems it necessary or advisable to amend an annual budget that has been ratified by the Owners under paragraph 7.3(b) above, the Executive Board may adopt a proposed amendment to the annual budget, deliver a summary of the proposed amendment to all Owners and set a date for a meeting of the Owners to consider ratification of the proposed amendment. The date of such meeting shall not be less than fourteen days nor more than sixty days after the delivery of the summary of the proposed amendment. Unless at that meeting a majority of the votes allocated to all Memberships, whether or not a quorum is present, rejects the proposed amendment, the proposed amendment shall be deemed ratified.

7.4 General Assessments.

(a) After the Owners ratify an annual budget pursuant to paragraph 7.3(b) above, the Association shall levy an assessment for Common Expenses (a "General Assessment") on each Unit. The amount of the General Assessment levied against a Unit shall equal the product obtained by multiplying:

(i) the amount set forth in the annual budget ratified by the Owners as the amount of Common Expenses to be raised by General Assessments, by

(ii) that Unit's Share of Common Expenses.

(b) The Owners shall pay the General Assessments levied against their respective Units in such periodic installments as may be required by the Association.

(c) If the Owners ratify an amendment to the General Assessment portion of an annual budget pursuant to paragraph 7.3(b) above, the amount of the General Assessment levied against each Unit shall be adjusted accordingly, as shall the amount of each Owner's periodic installments.

(d) If the Owners fail to ratify an annual budget for any calendar year prior to January 1 of that calendar year, the Owners shall continue to pay periodic installments of the General Assessment to the Association at the rate payable during the prior calendar year until such time as the Owners ratify a new annual budget for the then current calendar year. Once the Owners ratify a new annual budget, the Association shall levy against each Unit the General Assessment for the then current calendar year, and each Owner's periodic installments shall be adjusted as necessary to pay the new General Assessment in equal periodic installments over the remainder of such calendar year, giving the Owners credit, in such manner as the Executive Board deems necessary or appropriate, for any installments that the Owners have previously paid to the Association during such calendar year.

(e) The failure of the Association to levy a General Assessment for any calendar year shall not be deemed a waiver, modification or release of an Owner's liability for the Share of Common Expenses allocated to such Owner's Unit.

7.5 Alternate Methods of Assessment.

(a) Notwithstanding anything to the contrary contained in Section 7.4 above, if any Common Expense is attributable to the operation, maintenance, repair, replacement, alteration or improvement of a Limited Common Element, the Association may levy an Assessment for such Common Expense against the Units to which that Limited Common Element is assigned, equally, in proportion to the Shares of Common Expenses attributable to those Units or in any other equitable proportion as the Association reasonably deems appropriate.

(b) Notwithstanding anything to the contrary contained in Section 7.4 above, if any Common Expense or portion thereof benefits fewer than all of the Units, the Association may levy an Assessment for such Common Expense against the Units benefitted thereby, equally, in proportion to the Shares of Common Expenses attributable to those Units or in any other equitable proportion as the Association reasonably deems appropriate.

(c) Notwithstanding anything to the contrary contained in Section 7.4 above, if any Common Expense is separately metered or assessed to the Units by third parties, the Association may assess the amount of such separate charge to the Unit with which it is associated.

(d) All such allocations of Common Expenses to Units on a basis other than the Units' allocated interest in the Common Elements shall be made at the sole discretion of the Executive Board and shall be indicated in the annual budget to be approved by the Owners. Any billing for an installment of Assessments may indicate items that are specially allocated as set forth above or items that are included in the Assessment and allocated based on the Units' allocated interests in the Common Elements but would commonly be the separate expense of the Owner (e.g., utility charges).

7.6 Special Assessments.

In addition to the annual Assessments authorized above, the Executive Board may at any time and from time to time determine, levy, and assess in any fiscal year a Special Assessment applicable to that particular fiscal year (and for any such longer period as the Executive Board may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolition, replacement, renovation or maintenance of the Condominium, specifically including any fixtures and personal property related to it (each, a "Special Assessment"). Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Unit pursuant to the provisions of Section 7.4 above. Any Special Assessment shall be subject to the same requirement for review and approval by the Owners as is the annual budget.

7.7 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by:

- (i) the negligence or misconduct of an Owner or an Owner's Guest; or
- (ii) a violation of any covenant or condition of an Association Document by an Owner or an Owner's Guest,

the Association may levy an Assessment for such Common Expense against such Owner's Unit. Any such Assessment levied by the Association and each fine, penalty, fee or other charge imposed upon an Owner for the Owner's violation of any covenant or condition of any Association Document are each referred to herein as a "Default Assessment."

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, ratified by the Owners pursuant to Section 7.3 above.

(c) With respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Owner of the Unit against which the Association seeks to levy the Default Assessment shall be provided notice and an opportunity to be heard. Owners of Units against which Default Assessments have been levied shall pay such Default Assessments as and when required by the Association.

7.8 Use and Consumption Fees.

The Association may charge use and consumption fees to any Person who uses services or facilities provided by or through the Association. The Executive Board shall have sole discretion to determine the amount and method of calculation of such fees, which may vary based upon the service provided and the user of such service.

7.9 Assignment of Assessments.

The Association shall have the unrestricted right to assign its right to receive Assessments and other future income, either as security for obligations of the Association or otherwise, on the condition that any such assignment is approved by a majority of the votes allocated to Memberships present at a meeting at which a quorum is present.

7.10 Assessment Lien.

(a) The Association shall have a lien on each Unit for any Assessment levied against that Unit and for any fines, late charges, penalties, interest and attorneys' fees, disbursements and costs of collection imposed against the Owner of such Unit under any Association Document (the "Assessment Lien"). The Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien shall secure each installment from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

(b) An Assessment Lien is prior to all other liens and encumbrances on a Unit, except:

(i) liens and encumbrances recorded prior to the recordation of this Declaration;

(ii) liens for real estate taxes and other governmental assessments or charges against the Unit; and

(iii) a Mortgage which was recorded and constituted a First Mortgage upon the Unit before the date on which the Assessment sought to be enforced became delinquent.

(c) Notwithstanding the terms and conditions of subparagraph 7.8(b)(iii) above, an Assessment Lien is prior to a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent to the extent permitted by the Act.

(d) The recording of this Declaration constitutes record notice and perfection of an Assessment Lien on each Unit. No further recordation of any claim of any Assessment Lien is required.

(e) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within six years after the full amount of the Assessment secured thereby becomes due.

(f) This Section 7.8 does not prohibit actions or suits to recover sums secured by an Assessment Lien or the Association from taking a deed-in-lieu of foreclosure.

(g) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the affected Unit to collect all sums alleged to be owed by the Owner of such Unit prior to or during the pendency of the action. A court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Assessments.

(h) An Assessment Lien may be foreclosed in like manner as a mortgage on real estate. Periodic Assessments shall be payable during the period of foreclosure of an Assessment Lien.

7.11 Waiver of Homestead Exemptions.

By acceptance of the deed or other instrument of conveyance of a Unit, an Owner irrevocably waives the homestead exemption provided by Part 2, Article 41, Title 38, Colorado Revised Statutes, as amended, as the same may apply to the Assessment Lien.

7.12 Estoppel Certificates: Notices to Mortgagees.

(a) The Association shall furnish to an Owner or such Owner's designee or to a Mortgagee or its designee upon written request, delivered personally or by certified mail, postage prepaid, return receipt requested, to the Association's registered agent, a statement setting forth the amount of unpaid Assessments currently levied against such Owner's Unit. The statement shall be furnished within fourteen calendar days after receipt of the request and is binding on the Association, the Executive Board and every Owner. If no statement is furnished to the Owner, the Mortgagee or their designee, delivered personally or by certified mail, postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert the priority of its Assessment Lien upon the Unit for unpaid Assessments which were due as of the date of the request.

(b) If a First Mortgagee delivers to the Association a written request for notice of unpaid Assessments levied against a Unit subject to a First Mortgage held by that First Mortgagee, the Association shall report to the First Mortgagee any unpaid Assessments levied against such Unit that remain unpaid for more than sixty days after the same shall have become due. The First Mortgagee may pay any such unpaid Assessment, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such First Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as a lien of the First Mortgage held by such First Mortgagee.

7.13 Reserve Fund.

(a) The Association shall have the right to maintain a reserve fund for Common Expenses. The reserve fund will be funded as follows. At the closing of the sale of a Unit by Declarant to a Purchaser, the Purchaser shall pay to the Association an amount equal to the Association's estimate of three months of Common Expenses for the fiscal year in which the sale of the Unit occurs. Thereafter, the Association may increase the reserve fund or replace funds withdrawn from the reserve fund with funds collected through Assessments.

(b) Payments by Purchasers to the Association at closings under paragraph 7.11(a) above shall not be credited against, or relieve Purchasers from, their obligation to pay other Assessments levied against Units by the Association.

(c) Upon the sale of a Unit from one Owner to another, the Association shall not be obligated to return to the transferor any funds held in reserve, but the transferor shall be entitled to an appropriate credit from its transferee.

Each Owner, at such Owner's sole cost and expense, shall maintain in good order and repair its Unit (including all fixtures located therein) and the Limited Common Elements assigned solely to its Unit, other than those Limited Common Elements which the Association chooses to maintain for reasons of uniformity or structural considerations. Without limiting the generality of the preceding sentence, the Association may maintain all exterior patios, roofs, decks, trellises, skylights and other such exterior portions of the Condominium, even if such portions are Limited Common Elements appurtenant to a single Unit, and all costs incurred by the Association in that regard shall be charged to Owners in accordance with Sections 7.4 and 7.5 above.

9.3 Mechanic's Liens and Indemnification.

No labor performed or materials furnished and incorporated into a Unit with the consent or at the request of an Owner or an agent, contractor or subcontractor of an Owner shall be the basis either for filing a lien against the Unit of any other Owner not expressly requesting or consenting to the same, or against the Common Elements. Each Owner shall indemnify and hold harmless the Association, each of the other Owners and any Mortgagee from and against all liability arising from any claim or lien against the Unit of any other Owner or against the Common Elements for construction performed or for labor, materials, services or supplies incorporated in the Owner's Unit at the Owner's request.

9.4 Neighbourhood Company.

The rights and obligations of the Association and the Owners under this Article IX are subject to the rights of the Neighbourhood Company and the Design Review Board of the Neighbourhood Company under the Neighbourhood Company Documents.

All Owners and their Guests may use the General Common Elements and the Limited Common Elements designed to serve their Units for the purposes for which such Common Elements are intended. Notwithstanding the preceding sentence, neither an Owner nor a Guest may use any Common Element in any manner that unreasonably interferes with the rights of other Owners in and to the Common Elements. (b) Notwithstanding paragraph 10.7(a) above, an Owner who owns adjoining Units may remove or alter any intervening partition, even if the partition in whole or in part is a Common Element, if those acts do not impair the structural integrity, electrical systems or mechanical systems or lessen the support of any portion of the Condominium. Prior to performing any such work, an Owner shall request and obtain the written confirmation of the Association that the proposed work does not adversely affect the structural integrity of or any system within the Condominium.

(c) No new Improvement shall be constructed on the Property, and no construction, alterations, installations or other work to or affecting the exterior surface of any existing Improvement shall be made, except as required or approved by the Neighbourhood Company's Design Review Board, and then only in strict accordance with the terms and conditions of the Neighbourhood Company Documents.

By accepting a deed to a Unit, an Owner acknowledges that noises, lights and odors common to commercial and/or ski area activities as well as construction activities may exist on or near the Property, at any time and from time to time.

(e) The Association shall have the power to grant variances from the terms and conditions of this Section 10.8 from time to time as it deems necessary or appropriate.

Except as otherwise provided herein, in the event of any dispute under or with respect to this Declaration or any other Association Document, the prevailing party shall be entitled to recover from the nonprevailing party all of its costs and expenses in connection therewith, including, without limitation, the fees and disbursements of any attorneys, accountants, or other professionals engaged by the prevailing party.

17.3 Interest.

If an Owner fails to pay to the Association any Assessment or other amount due to the Association as and when the same becomes due, the Owner shall pay to the Association interest on such unpaid amount at the rate of 18 percent per annum, or such other rate as the Executive Board may establish from time to time, from the due date of such unpaid amount until the date paid.

17.4 Right to Notice and Hearing.

Whenever an Association Document requires that an action be taken after "notice and hearing," the following procedure shall be observed. The party proposing to take the action (e.g., the Executive Board or a committee or officer of the Association) shall give at least three days' prior written notice of the proposed action to all Owners whose interests would be significantly affected by the proposed action, as reasonably determined by the proposing party. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. At the hearing, the party proposing to take the action, and all affected Owners may give testimony orally, in writing or both (as specified in the notice), subject to reasonable rules of procedure established by the party conducting the hearing to assure a prompt and orderly resolution of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. Any affected Owner shall be notified of the decision in the same manner in which notice of the hearing was given. Any Owner having a right to notice and hearing shall have the right to appeal to the Executive Board from a decision of a proposing party other than the Executive Board. Such right of appeal may be exercised within ten days after an Owner receives notice of the decision, by filing a written notice of appeal with the Executive Board. The Executive Board shall conduct a hearing within forty-five days thereafter, giving the same notice and observing the same procedures as were required for the original hearing.

17.5 Nonwaiver.

Failure by Declarant, the Association or any Owner to enforce any covenant, condition, restriction, reservation, easement, assessment, charge, lien or other provision of this Declaration or any other Association Document shall in no way be deemed to be a waiver of the right to do so thereafter.

ARTICLE XVIII

TERM AND AMENDMENTS

18.1 Term.

The covenants, conditions, restrictions, reservations, easements, assessments, charges and liens set forth in this Declaration shall run with and bind the Property until the Declaration is terminated pursuant to Section 18.2 below.

18.2 Termination.

Subject to the rights of Mortgagees under Article XVI above, the Owners may terminate the Condominium and this Declaration, by the vote of 67 percent of the votes allocated to all Memberships. If the necessary votes are obtained, the agreement of the Owners to terminate the Condominium and this Declaration shall be evidenced by a termination agreement or ratification thereof, executed by the required number of Owners in accordance with the Act. Upon

recordation of the termination agreement in the Summit County Records, the Condominium shall be terminated, this Declaration shall have no further force or effect, and the Association shall be dissolved. Notwithstanding the foregoing, the Owners may not terminate the Condominium during the Declarant Control Period without Declarant's prior written consent, which consent Declarant may withhold in its sole discretion.

18.3 Amendments.

(a) Except for provisions of this Declaration regarding the rights and obligations of Declarant, which may not be amended without Declarant's prior written consent, Owners may amend any provision of this Declaration at any time by a vote of at least 50 percent of the votes allocated to all Memberships. If the necessary votes and consent are obtained, the Association shall cause an amendment to the Declaration to be recorded in the Summit County Records in accordance with the terms and conditions of the Act. Notwithstanding the foregoing, the Owners may not amend this Declaration during the Declarant Control Period without Declarant's prior written consent, which consent Declarant may withhold in its sole discretion.

(b) Notwithstanding the terms and conditions of paragraph 18.3(a) above, Declarant may amend this Declaration as expressly provided herein or by the Act, without the approval of the Owners.

ARTICLE XIX

MISCELLANEOUS

19.1 Interpretation of the Declaration.

Except for judicial construction, the Association, by its Executive Board, shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all persons and property benefitted or bound by the covenants and the provisions hereof.

19.2 Severability.

Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity and enforceability of any other provision hereof.

19.3 Disclaimer of Representations.

Notwithstanding anything to the contrary contained in this Declaration, Declarant makes no warranties or representations whatsoever that the plan presently envisioned for the complete development of the Condominium can or will be carried out or that any land now owned or

hereafter acquired by Declarant is or will be subject to this Declaration, or that any such land, whether or not it has been subjected to this Declaration, is or will be committed to or developed for a particular use, or that if such land is once used for a particular use, that such use will continue in effect.

19.4 Reference to Declaration and Deeds.

Deeds to and instruments affecting any Unit or any other part of the Condominium may contain the provisions set forth herein by reference to this Declaration, but regardless of whether any such reference is made in any deed or instrument, each and all of the covenants, conditions, restrictions, reservations, easements, assessments, charges and liens set forth herein shall be binding upon the grantee-owner or other person claiming through any deed or other instrument and his heirs, executors, administrators, successors and assigns.

19.5 Successors and Assigns of Declarant.

Any reference in this Declaration to Declarant shall include any successors or assignees of Declarant's rights and powers hereunder on the condition that Declarant's rights and powers may only be assigned by a written recorded instrument expressly assigning such rights and powers.

19.6 Captions and Titles.

All captions and titles of headings of Articles and Sections in this Declaration are for the purpose of reference and convenience and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent or context thereof.

19.7 Exhibits.

All exhibits attached to this Declaration are a part of, and are incorporated into, this Declaration.

19.8 Governing Law.

This Declaration shall be governed by and construed in accordance with Colorado law.

19.9 Notices.

All owners of each Unit shall have one and the same registered mailing address to be used by the Association or other Owners for notices, demands, and all other communications regarding Association matters. The Owner or the representative of the Owners of a Unit shall furnish such registered address to the secretary of the Association within ten days after transfer of title to the Unit to such Owner or Owners. Such registration shall be in written form and signed by all of the Owners of the Unit or by such persons as are authorized to represent the interests of

all Owners of the Unit. If no address is registered or if all of the Owners cannot agree, then the address of the Unit shall be deemed the registered address of the Owner(s), and any notice shall be deemed duly given if delivered to the Unit. All notices and demands intended to be served upon the Association shall be sent to the following address or such other address as the Association may designate from time to time by notice to the Owner(s):

19.11 Priority of Neighbourhood Company Documents.

This Declaration and the other Association Documents shall be subject and subordinate to the Neighbourhood Company Documents. If there is any conflict or inconsistency between the terms and conditions of this Declaration or any of the other Association Documents and the terms and conditions of the Neighbourhood Company Documents, the terms and conditions of the Neighbourhood Company Documents shall control.
